

Fill in the gaps

I did my time, and I want out!		The preservation of the martyr in me	
So (1)	fade	Psychosocial, psychosocial	
It doesn't cut, (2)	soul is not so vibrant	Psychosocial, psychosocial	
The reckoning, the sickening		The limits of the dead	
Back at your subversion		The (14) of the dead	
Pseudo-sacred (3) before dawn		The limits of the dead	
Go to your deserts, go dig your graves!		The (15) of the dead	
Then fill your mouth (4) all the money you will save		Fate! Cannot catch this lie (psychosocial)	
Sinking in, getting smaller again		I've (16) to tell you thrice! (psycho	social)
I'm done! It has begun, I'm not the only one!		Your hurtful (17) are giving out (psyc	chosocial)
And the (5) will kill us all		Can't stop the (18) idea (psy	chosocial)
Throw ourselves against the wall		If it's something secret (psychosocial)	
But no-one else can see		Is this what you want? (psychosocial)	
The (6)	of the	I'm not the only one!	
(7) in me	e	And the rain (19) (20) us	all
Psychosocial, psychosocial		Throw ourselves against the wall	
Psychosocial, psychosocial		But no one (21) can see	
Oh, there are (8) in the road we lay		The preservation of the martyr in me	
But we're the devil filth, the secret death gone mad		And the (22) will kill us all	
This is (9) new, but would we kill it all?		Throw ourselves against the wall	
The hate was all we had!		But no one else can see	
Who needs another mess, we could start over		The preservation of the (23) in	me
Just look me in the (10) and say I'm wrong!		The limits of the dead	
Now there's only emptiness, burn (11)		The limits of the dead	
(12) threat			
I think we're done, I'm n	ot the only one!		
And the rain will (13)	us all		
Throw ourselves agains	t the wall		
But no-one else can see	e
