

Fill in the gaps

I've known faces that have (1) in	Take this away
time	Take this away
Find me (2) in glass and (3)	I can feel it on my mouth
soaked in lime	I can taste you on my fingers
All my friends have pictures meant to make you cry	I can hear you like the Holy Ghost
I've seen this and wondered what I've done to	And kill you if you get too close
Calcify (I ignore you)	As I close my eyes, I feel it all slipping away
As I close my eyes, I feel it all slipping away	(I come towards you)
(I come towards you)	We all got (9) behind, we let it all slip away
We all got left behind, we let it all slip away	(I ignore you)
(I ignore you)	As I close my eyes, I feel it all slipping away
As I close my eyes, I feel it all slipping away	(I (10) towards you)
(I come towards you)	We all got left behind
We all got left behind, we let it all slip away	We let it all slip away!
I can't stand to see your (4) robot	We let it all slip away!
face	We let it all slip away!
I don't even try it! You had to be a liar	We let it all slip away!
Just to infiltrate me, I'm still drowning	We let it all slip away!
(I (5) you)	We let it all slip away!
As I close my eyes, I feel it all slipping away	We let it all slip away!
(I come (6) you)	
We all got (7) behind, we let it all (8)	
away	
(I ignore you)	
As I close my eyes, I feel it all slipping away	
(I come towards you)	
We all got left behind, we let it all slip away
