# Virtual Insanity by Jamiroquai

## Fill in the gaps

(Oh eh hey, oh)
What we're living in
Let me (1) ya
It's a wonder that man can eat at all
When (2) are big that (3) be
small
Who can tell
What magic spells
We'll be doing for us
And I'm giving all my love to this world
Only to be told
I can't see
I can't breathe
No more will we be
And nothing's (4) to change the way we live
'Cause we can (5) (6) but neve
give
And now that things are (7) for the
worse, see
(Whoa!)
It's a (8) world we're living in
And I just can't see that half of us immersed in sin
Is all we (9) to give these
Futures
Made of
Virtual insanity, now
Always
Seem to
Be governed by this love we have for
Useless
Twisting Of our pow toopplogy
Of our new tecnology  Oh pays (10)  in no count
Oh now (10) is no sound  For we all live underground
And I'm (11) what a (12)
we're in
Hard to know where to begin
If I could slip
The sickly ties that earthly man has made
And now (13) mother
Can choose the colour
Of her child
That's not nature's way
Well that's (14) (15) said yesterday
There's nothing left to do but pray
I think it's time to (16) a new religion
(Whoa!)

To synthesize another strain

### Fill in the gaps

There's something in these futures
That we have to be told
Futures
Made of
Virtual insanity, now
Always
Seem to
Be governed by (17) love we (18) for
Useless
Twisting
Of our new tecnology
Oh now there is no sound
For we all (19) (20)
(whoa!)
Now (21) is no sound
If we all (22) underground
And now it's virtual insanity
Forget your virtual (23) (oh!)
There's nothing so bad
as a man-made man
Oh yeah, I know yeah
Futures
Made of
Virtual insanity now
Always
Seem to
Be governed by this love we (24) for
Useless
Twisting
Our new tecnology
Oh now there is no sound
For we all live underground (oh!)
Now this life that we (25) in
It's all going wrong
Out of the window
Do you know
There is nothing worse than
A man-made man
I feel there's nothing worse than
A foolish man
(Yeah!)
Virtual insanity is what we're living in
(Yeah)
It is alright?

## SUB inglés

#### 1. tell

- 2. things
- 3. should
