

Fill in the gaps

He said, "Son	But again and again
Have you (1) the world?	A (14) of war
Oh, what would you say	Yeah that's what I'll be
If I (2) that you could?	And when I come home
Just carry this gun, you'll (3) get paid."	They'll be damn proud of me
I said, "That (4) pretty good."	I'll carry this flag
Black leather boots	To the grave if I must
Spit-shined so bright	'Cause it's the flag that I love
They cut off my hair but it looked alright	And a (15) that I trust
We (5) and we sang	She walked (16) bullets and haze
We all became friends	I asked her to stop
As we (6) how to fight	I begged her to stay
A hero of war	But she pressed start
Yeah, that's what I'll be	So I lifted my gun
And when I (7) home	And I fired away
They'll be damn proud of me	And the shells jumped through the smoke
I'll carry this flag	And (17) the sand
To the grave if I must	That the blood now had soaked
'Cause it's the flag that I love	She collapsed (18) a flag in her hand
And the flag that I trust	A (19) white of snow
I kicked in the door	A hero of war
I (8) my commands	Is that what they see
The children, they cried	Just medals and scars
But I got my man	So damn proud of me
We took him away	And I brought home that flag
A bag over his face	Now it (20) dust
From his family and his friends	But it's the flag that I love
They (9) off his clothes	It's the only flag I trust
They pissed in his hands	He said, "Son, have you (21) the world?
I (10) to stop	Well what (22) you say
But (12) I joined in	If I said (23) you could?"
We beat him with guns	
And (13) not just once
