

Fill in the gaps

When You Were Young by The Killers

And (1) you (2) your	And sometimes you close (13) eyes
eyes	And see the place where you (14) to live
And see the place where you used to live	When you were young
When you (3) young	They say the devil's water, it ain't so sweet
You sit there in your heartache	You don't have to drink right now
Waiting on some (4) boy to	But you can dip (15) feet
To save you from your old ways	Every once in a little while
You (5) forgiveness	You sit there in your heartache
Watch it now (6) he comes!	Waiting on some beautiful boy to
He doesn't look a (7) like Jesus	To save you from (16) old ways
But he talks (8) a gentleman	You (17) forgiveness
Like you imagined when you were young	Watch it now (18) he comes
Can we climb (9) mountain	He doesn't look a (19) (20) Jesus
I don't know	But he (21) like a gentleman
Higher now than ever before	Like you imagined when you were young
I know we can (10) it if we take it slow	(Talks (22) a gentlemen, like you imagined when)
Let's (11) it easy	When you (23) young
Easy now, watch it go	I (24) he doesn't look a thing like Jesus
We're burning down the highway skyline	He doesn't look a thing like Jesus
On the back of a hurricane	But more (25) you'll (26) know
That (12) turning	
When you were young	
When you were young
