

Fill in the gaps

Set Fire To The Rain (Live) by Adele

I let it fall, my heart	Watched it pour as I (13) your face
And as it fell, you (1) to (2) it	Well, it burned while I cried
It was dark and I was over	'Cause I heard it screaming out your name
Until you kissed my (3) and you saved me	Your name
My (4) they were strong	I set (14) to the rain
But my knees were far too weak	And I threw us into the flames
To stand in your arms	Well, it felt (15) died
Without falling to (5) feet	Cause I knew (16) (17) was the last
But there's a side, to you	time
That I never knew, never knew	The last time
All the (6) you'd say	Sometimes I wake up by the door
They were never true, never true	That (18) you caught must be
And the games you'd play	(19) for ya
You would always win, always win	Even now (20) we're already over
But I set fire to the rain	I can't help (21) from (22)
Watched it pour as I touched (7) face	for ya
Well, it burned while I cried	I set fire to the rain
'Cause I heard it screaming out your name	Watched it pour as I touched (23) face
Your name	Well, it (24) while I cried
When I lay, with you	'Cause I heard it screaming out your name
I could stay there, close my eyes	Your name
Feel you here forever	I set fire to the rain
You and me together, (8) is better!	And I threw us (25) the flames
Cause there's a side, to you	Well, it felt something died
That I (9) knew, (10) knew	'Cause I knew (26) that was the last time
All the things you'd say	The last time
They were never true, (11) true	Oh oh oh oh
And the games you'd play	Let it burn
You would (12) win, always win	Oh oh oh oh
But I set fire to the rain	Let it burn
	Let it burn
