Fill in the gaps

Somethin' Stupid by Robbie Williams & Nicole Kidman

I know I stand in line	The time is right
Until you (1) you have the time	Your perfume fills my head
To (2) an (3) (4)	The stars get red
me	And oh, the night's so blue
And if we go (5) to dance	And then I go and spoil it all
I (7) (8) there's a chance	By saying something stupid
You won't be leaving with me	Like: "I love you"
And afterwards we (9) into a quiet little place	The time is right
And have a drink or two	Your (21) fills my head
And then I go and spoil it all	The stars get red
By saying (10) stupid	And oh, the night's so blue
Like: "I love you"	And (22) I go and spoil it all
I can see it in your eyes	By (23) something stupid
You still despise the same old lines	Like: "I love you"
You heard the night before	"I love you"
And though it's (11) a (12) to you	"I love you"
For me it's true	"I (24) you"
And (13) so	"I (25) you"
(15) before	"I (26) you"
I (16) everyday	
To find (17) clever lines to say	
To make the meaning come true	
But (18) I (19) I'll wait	
Until the evening gets late	
And I'm alone (20) you
