## Fill in the gaps

1 th in I. II (4)		That I leave to a resuch
I think I've (1)(2)	you	That I know too much
I think you're (3) gone		I can't relate and that's a problem
I think I'm finally scared now		I'm feeling
And you think I'm weak		If you're gone
I think you're wrong		Maybe it's time to come home
I think you're already leaving		There's an awful lot of breathing room
Feels like your hand is on the door		But I can hardly move
I (4) this place was an empir	re	If you're gone
And now I'm relaxed		Baby, you need to come home (come home)
I can't be sure		There's a little bit of something me
And I think you're so mean		In everything in you
I think we should try		I think you're so mean
I (5) I could need this in my life		I think we (7) try
And I think I'm scared		I think I could need this in my life
I think too much		And I think I'm scared
I know it's wrong		Do I talk too much
It's a problem I'm dealing		I know it's wrong
If you're gone		It's a problem I'm dealing
Maybe it's time to come home		If you're gone
There's an awful lot of breathing room		And maybe it's time to come home
But I can hardly move		But there's an awful lot of breathing room
If you're gone		But I can hardly move
Baby, you need to come home (come home)		And if you're gone, yeah
'Cause there's a little bit of something me		Baby, you need to come home (come home)
In everything in you		There's a little bit of (8) me
I bet you're hard to get over		In (9) in you
I bet the (6) just won't shine		Something me
I bet my hands I can stay here		Everything in
I bet you need more than you mind		Something me
And I think you're so mean		In you
I think we should try		
I think I could need this in my life
