You're Gonna Go Far, Kid by The Offspring

Show me how to lie	Show the light of day
You're (1) better all the time	Nice work you did
And turning all against the one	You're (15) go far, kid
Is an art that's hard to teach	Trust, deceived
Another clever word	With a thousand lies
Sets off an unsuspecting herd	And a good disguise
And as you get back into line	Hit 'em right (16) the eyes
A mob (2) to their feet	Hit 'em right between the eyes
Now dance, fucker, dance	When you walk away
Man, he never had a chance	Nothing (17) to say
And no one even knew	See the (18) in your eyes
It was really only you	See 'em (19) for their lives
And now you steal away	Now dance, fucker, dance
Take him out today	He never had a chance
Nice work you did	And no one even knew
You're gonna go far, kid	It was (20) only you
With a (3) lies	So dance, fucker, dance
And a (4) disguise	I (21) had a chance
Hit 'em right between the eyes	It was (22) only you
Hit 'em right between the eyes	With a thousand lies
When you walk away	And a good disguise
Nothing more to say	Hit 'em right between the eyes
See the lightning in (5) eyes	Hit (23) (24) between the eyes
See 'em running for (6) lives	When you (25) away
Slowly out of line	Nothing more to say
And drifting closer in your sights	See the lightning in your eyes
So (7) it out I'm (8) awake	See (26) running for their lives
It's a scene (9) me	Clever alibis, lord of the flies
There's something in (10) way	Hit (27) (28) between the eyes
And now someone is gonna pay	Hit 'em right between the eyes
And if you (11) get what you want	When you walk away
Well (12) all because of me	Nothing (29) to say
Now dance, fucker, dance	See the lightning in (30) eyes
Man, I (13) had a chance	See 'em running for their lives
And no one even knew	
It was (14) only you
