Baby baby, we're on the rocket	We can have it all, baby, you and me
Venus and (1) now, can't be apart now	Kiss the stars tonight
Baby baby, put me in your pocket	You and me, oh, we will
We're on a mission, get in position	Write our name in lights
Put the plug in the socket	They will see we're in love tonight
Give me all your power	Love tonight, we're in love tonight
When you turn it on I can go for hours	Love tonight, love tonight
Hit the switch, push the button, baby	We're in love tonight
Then you'll see	Put the plug in the socket
We can have it all, baby, you and me	Give me all your power
Kiss the stars tonight	When you turn it on I can go for hours

Write our name in lights	Then you'll see
