the shadows

Half past twelve	I open the window and I gaze (8) the night
And I'm watching the late (1) in my flat all alone	But there's nothing there to see, no one in sight
How I hate to spend the evening on my own	There's not a soul out there
Autumn (2) blowing outside my window	No one to hear my prayer
As I look around the room	Gimme gimme a man after midnight
And it (3) to	Won't somebody (9) me chase the shadows away
see the gloom	Gimme gimme a man after midnight
There's not a soul out there	Take me through the darkness
No one to hear my prayer	To the break of the day
Gimme gimme a man after midnight	Gimme gimme a man after midnight
Won't somebody (5) me (6) the	Won't somebody help me (10) the shadow
shadows away	away
Gimme gimme a man after midnight	Gimme gimme a man after midnight
Take me through the darkness	Take me through the darkness
To the break of the day	To the break of the day
