

Love The Way You Lie by Eminem & Rihanna

Just gonna (1) there and watch me burn	
But that's alright	
Because I like the way it hurts	
Just gonna stand there and hear me cry	
But that's alright	
Because I love the way you lie	
I love the way you lie	
I can't tell you what it really is	
I can only tell you what it feels like	
And right now there's a steel knife	
In my windpipe	
I can't breathe	
But I still fight	
While I can fight	
As long as the wrong feels right	
It's like I'm in flight	
High of a love	
Drunk from the hate	
It's like I'm huffing paint	
And I love it the more that I suffer	
I sufficate	
And right before I'm about to drown	
She resuscitates me	
She fucking hates me	
And I love it, wait	
Where you going	
I'm leaving you	
No you ain't	

Come back

Ciragies
We're running right back
Here we go again
It's so insane
Cause (2) it's going good
It's going great
I'm Superman
With the wind in his bag
She's Lois Lane
But when it's bad
It's awful
I feel so ashamed
I snap
Who's that dude
I don't even know his name
I laid hands on her
I'll never stoop so low again
I guess I don't know my own strength
Just gonna stand there and watch me b
But that's alright
Because I like the way it hurts
Just gonna stand there and hear me cr
But that's alright
Because I love the way you lie
I love the way you lie
I love the way you lie
You (3) love somebody so r
You can barely breathe
When you're with them you meet
And neither one of you

Even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills
Used to get 'em
Now you're getting (4) sick
Of looking at 'em
You swore you've never hit 'em
Never do (5) to hurt 'em
Now you're in (6) other's face
Spewing (7) and these words
When you spit 'em
You push, pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em
It's the rage that took over
It controls you both
So they say it's best
To go your separate ways
Guess that (8) don't know ya
Cause today
That was yesterday
Yesterday is over
It's a different day
Sound like broken records
Playin' over
But you promised her

Next time you'll show restraint

You don't get another chance

Fill in the gaps

But you lied again

Now you get to watch her leave

Out the window

Guess that's why they call it window pane

Just gonna stand there and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there and hear me cry

But that's alright

Because I love the way you lie

I love the way you lie

I love the way you lie

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As mine is

You're the same as me

But when it comes to love

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

SUB inglès
When a tornado meets a volcano
All I know is
I love you too much
To walk away though
Come inside
Pick up your bags off the sidewalk
Don't you hear sincerity
In my voice when I talk
Told you this is my fault
Look me in the eyeball
Next time I'm pissed
I'll aim my fist
At the dry wall
Next time
There will be no next time
I apologize
Even though I know it's lies
I'm tired of the games
I just want her back
I know I'm a liar
If she ever tries to fucking leave again
I'mma tie her to the bed
And set the house on fire
Just gonna stand (10) and watch me burn
But that's alright
Because I like the way it hurts
Just gonna stand there and hear me cry
But that's alright
Because I love the way you lie
