The Angry Birds Rap by Bshap

The Angry Birds Rap by Bshap
And we're launchin'
And were crashin'
Let's hit the pigs 'til they all go pop
We're the best birds
But we're angry
If you take our eggs
We're never gonna stop
Every theme and level
We will get three stars and set you straight
Maybe find a golden egg
And win until the next update
Screw the pigs, screw the pigs
They're wearin' helmets, hardhats, usin' tricks
Fake mustaches and green skin
It don't matter cos I know I'm (1) win
It don't matter cos I know I'm (1) win Birds on my side, they're pretty fly
Birds on my side, they're pretty fly
Birds on my side, they're pretty fly Launch 'em in the air, the pigs cant hide
Birds on my side, they're pretty fly Launch 'em in the air, the pigs cant hide It's (2) fair, you took our eggs like a spy
Birds on my side, they're pretty fly Launch 'em in the air, the pigs cant hide It's (2) fair, you took our eggs like a spy And besides I got my finger as a guide
Birds on my side, they're pretty fly Launch 'em in the air, the pigs cant hide It's (2) fair, you took our eggs like a spy And besides I got my finger as a guide Touch the screen, the birds are angry, mean

Birds on my side, they're pretty fly Launch 'em in the air, the pigs cant hide It's (2) fair, you took our eggs like a spy And besides I got my finger as a guide Touch the screen, the birds are angry, mean They don't stop on Christmas or Halloween They're always gonna switch to a different theme They're definitely makin' up the greatest team Got that slingshot and pull it back Aim for the right spot then attack You took our eggs, that was wack

We gotta get 'em to stop cos they will overflow

Say goodbye, no hello

Stop your laughin and stop the snatchin'

We don't have eggs so we don't have hatchin'

Get ready for the birds who are so diverse

Let's talk about them in the next verse

And we're launchin'

And were crashin'

Let's hit the pigs 'til they all go pop

We're the best birds

But we're angry

If you (4)_____ our eggs

We're never gonna stop

Every theme and level

We will get three stars and set you straight

Maybe find a golden

And win until the next update

Black and yellow, red, white and blue

Even green is a color thrown in there too

A little behind?

Well then let's go through all words

And the birds that are gonna help you

The red bird, the first one you meet

The first bird to tweet, and the first defeat

So take your seat, watch the bird compete

Even though it's petite

It is elite

It's a basic bird, who's not goin' unheard

Doesn't have a power, ain't that absurd?

But still the red one can be lots of fun

Fill in the gaps

Cos (5) we get a home run and the pigs are done

Look up in the sky and you will see blue
'Cos after the red this bird had a debut
Is my vision blurred? What's that I see?
Looks like that bird just became three
Yeah that's right, 'cos blue came to fight
Bringin' all the class and breakin' all the glass
Never runnin' out of gas, don't need a pass
Getting' every pig, even the last
You can call them as bird 1 bird 2
So don't forget it say, "I heard you"
The best and the baddest (6) will now arrive
There is no way those pigs will survive
And we're launchin'
And were crashin'
Let's hit the pigs 'til they all go pop
We're the best birds
But we're angry
If you take our eggs we're never gonna stop
Every theme and level
We will get three stars and set you straight
Maybe (7) a golden egg
And win until the next update
So the next fellow makes pigs get mangled
After gettin' hit by the (8) triangle
Lightning fast and the speed will increase
On 1, 2, 3, release
So its up in the air and the time is just right
You give a little tap for the speed of light
This chick's angry not polite

Fill in the gaps

Breaks through wood, it don't bite If you're lookin' for blast, take this road There's a bird that's black, likes to explode It cracked the code to make the pigs erode Help us get back the eggs back that we're owed From black to white This bird is droppin' one last egg right top And I really don't get why they're droppin' eggs though If you want them back, why let them go? Now the green bird always wants to hang Cos it was one of the (9)_____ ones that was in the gang Oh no, too far this bird has sprang But it's comin' right back like a boomerang The last bird's red and you stretch it out Has an angry face that makes you shout Breakin' everything that is in its route They smell fear with a green pig snout And we're launchin' And were crashin' Let's hit the pigs 'til they all go pop We're the best birds But we're angry If you take our eggs We're never gonna stop Every theme and level We will get (10)_____ stars and set you straight Maybe find a golden egg And win until the next update

And we're launchin'

And were crashin'

Let's hit the pigs 'til they all go pop

We're the best birds

But we're angry

If you take our eggs

We're never gonna stop

Every theme and level

We will get three stars and set you straight

Maybe find a golden egg

And win until the next update

And the Mighty Eagle, I forgot about that one
