But I'm your new perfect man	And all I need is to feel you
Dignity where you stand	Reach out and touch me
With just a touch of my hand	
I'm trying to (3) you my plan	Let's Go
You got me, girl. I'm a fan	I'm here to play with fire
From the minute that you walked	Your body's my desire
Right throught the door	The time to flirt across the room doesn't expire
Thoughts (4) racing in my mind time to explore	'Cuz you a superstar
I tell my friends that I just gotta have him	Get in my supercar
Don't look now, cause I see you staring at him	The paparazzi watchin' us the t-t-tube is on
Then my vision had him walked on in the side	I know I took it far
On a mission, for position by the end of the night	But look how (9) you are
It's like a prey playing games with the hunter	And look how good you look
You better run boy, it's (5) to surrender	One touch, I'm supercharged
And all I need is to feel you	Baby, can't you see how you're affecting me
All I want is to feel you	Baby sensual, physical, fantasy
Reach out and touch me (before I go insane)	Maybe, faith brought the two of us closer
Reach out and touch me (boy don't make me wait)	Don't you wanna, don't you wanna
I'm a (6) and you're so on the money	Don't you wanna, don't you wanna
Reach out and touch me	Reach out and touch me

Like a prayer, your touch can take me there	And touch me baby (reach out and touch me)
