Doncamatic	(Talk to me, talk to me)
Down lowly	Tell me did you feel that?
Make up for the time you wasted	Doncamatic
Come slowly	Down lowly
And claim back (1) you're left behind	Make up for the time you wasted
Close the (2) book	Come slowly
Unpluck the brain (3) the game	Claim back the boy
Cause it's time to (4) out till the stars	You left behind and (11) the white book
Get on the fame	Unpluck the brain from the game
The song is not the same	It's time to (12) out
When we're all played out	Till the bar get on the fame
Played out, all played out	The song is not the same
They (5) the member is all played out	When we're all played out
Played out, all played out	Played out, all played out
Tell me did you feel that?	(Talk to me, talk to me)
Don't (6) down	You see the member is all played out
Even if it's only to escape	Played out, all played out
Just down, low down	(Talk to me, talk to me)
Before somebody steals the place	The song is not the same
Close the white book	When we're all played out, played out
Unpluck the brain from the game	(Talk to me, talk to me)
'Cause it's (7) to (8) out till the stars	The song is not the same
Get on the fame	When we're all played out, (13) out
And the conversation's over	Played out, played out
We're all played out	(Talk to me, talk to me)
Played out, all (9) out	Tell me did you feel that?
(Talk to me, (10) to me)	
You see the member is all played out	
Played out, all played out
