## My Medicine by The Pretty Reckless

| And (7) mixed  | my   |
|--|--|
| (8) again  |  |
| Again  |  |
| There's a tiger in the room and a baby in the closet |  |
| Poor another drink mom                               |  |
| I don't even (9) it                                  |  |
| Then I turn around and think I see                   |  |
| Someone that looks like you                          |  |
| Whell you hurt (10) you sleep                        |  |
| And you sleep where you lie                          |  |
| Now you're in deep and now you're gonna cry          |  |
| Got a woman to your left and a boy to your right     |  |
| Start to sweat so hold me tight                      |  |
| Somebody mixed my medicine                           |  |
| I don't know what I'm on                             |  |
| Somebody mixed my medicine                           |  |
| Now baby it's all gone                               |  |
| Somebody mixed my medicine                           |  |
| Somebody's in my head again                          |  |
| Somebody mixed my medicine again                     |  |
| Again, again, again                                  |  |
| Again, again, again                                  |  |
| Again, again, again                                  |  |
