## SUB inglés

To change this lonely life

## Fill in the gaps

## Want To Know What Love Is by Foreigner

I gotta take a little time	I wanna know what love is
A little time to think things over	I want you to show me
I better read between the lines	I wanna feel what love is
In case I need it when I'm older	I know you can show me
Now this mountain I must climb	I wanna know what love is
Feels like the world (1) my sholders	I want you to show me
Through the clouds I see love shine	I wanna feel
It keeps me warm as life grows colder	I wanna feel what love is
In my life	I know
There's (2) heartache and pain	I (6) you can show me
I don't know	Let's talk about love
If I can (3) it again	I wanna know what love is
Can't stop now	The love that you feel inside
I've travelled so far	I want you to show me
To change this lonely life	I'm feeling so much love
I wanna know what love is	I (7) feel what love is
I want you to (4) me	No, you just cannot hide
I wanna feel what love is	I know you can show me
I know you can (5) me	I wanna know what love is
I'm gonna take a little time	I want you to show me
A little time to look around me	I wanna feel
I've got nowhere left to hide	I (8) feel what love is
It looks like love has finally found me	I know I know
In my life	I know you can show me
There's been heartache and pain	I wanna know what love is
I don't know	I wanna know
If I can face it again	
Can't stop now	
I've travelled so far
