I've Never Been To Me by Charlene

Hey lady, you lady	And showed em (3) I'd got
Cursing at your life	I've been undressed by kings
You're a discontented mother	And I've seen some things
And a regimented wife	That a woman ain't supposed to see
I've no doubt you (1) about	I've been to paradise
The things you never do	But I've never been to me
But I wish someone had have talked to me	Hey, you know what paradise is?
Like I want to talk to you	It's a lie
(Ooh) I've been to Georgia and California and	A fantasy recreated by people
Anywhere I could run	And (4) as we'd like them to be
Took the hand of a preacher man	But you (5) what truth is?
And we made love in the sun	It's that little baby you're holding
But I ran out of places and friendly faces	And it's that man you (6) with (7)
Because I had to be free	morning
I've been to paradise	The same one you're going to make love with tonight
But I've never been to me	That's true, that's love
Please lady, please lady	Sometimes I've been to (8) for
Don't just walk away	(9) children
Coz I have this need to tell you	That might have made me complete
Why I'm all alone today	But I, I took the sweet life and never knew
I can see so much of me (2) living in your eyes	I'd be bitter (10) the sweet
Won't you share a part of a weary heart	I spent my life exploring
That has lived a million lives	The subtle whoring that costs too much to be free
(Ooh) I've been to Nice and the Isle of Greece	Hey lady, I've been to paradise
While I sipped champagne on a yacht	But I've never been to me
I moved like Harlow in Monte Carlo
