

Fill in the gaps

At (1) life is (2) and I just can'	t Believe you can fly
see the light	Away, away
A silver lining sometimes isn't enough	Am I hiding in the shadows?
To make some (3) (4) right	Forget the (18) and (19) the
Whatever life brings	sorrows
I've been through everything	Am I hiding in the shadows?
And know I'm on my (5) again	Forget the pain and (20) the sorrows
But I know I must go on	But I (21) I (22) go on
Although I (6) I must be strong	Although I hurt I must be strong
Because (7) I (8) (9)	Because inside I know that (23) feel (24)
many feel this way	way
Children don't (10) dancing	Children don't stop dancing
Believe you can fly	Believe you can fly
Away, away	Away, away
At times life's unfair and you (11) it's	Children don't stop dancing
(12) to see	Believe you can fly
Hey God I know I'm just a dot in this world	Away, away
Have you (13) about me?	Children don't (25) dancing
Whatever (14) brings	Believe you can fly
I've been through everything	Away, away
And (15) I'm on my knees	Am I hiding in the shadows?
But I know I must go on	Are we hiding in the shadows?
Although I hurt I must be strong	
Because (16) I know that many feel	
(17) way	
Children don't stop dancing
