

Children don't stop dancing

## Fill in the gaps

At (1) life is wicked and I just can't see the light	Believe you can fly
A silver lining sometimes isn't enough	Away, away
To make some wrongs seem right	Am I hiding in the shadows?
Whatever life brings	Forget the (7) and forget the sorrows
I've been through everything	Am I hiding in the shadows?
And know I'm on my knees again	Forget the pain and forget the sorrows
But I (2) I (3) go on	But I know I must go on
Although I hurt I (4) be strong	Although I hurt I must be strong
Because inside I know that many feel (5) way	Because inside I know (8) (9) feel this
Children don't stop dancing	way
Believe you can fly	Children don't stop dancing
Away, away	Believe you can fly
At (6) life's unfair and you know it's plain to see	Away, away
Hey God I know I'm just a dot in this world	Children don't stop dancing
Have you forgot about me?	Believe you can fly
Whatever life brings	Away, away
I've been through everything	Children don't stop dancing
And know I'm on my knees	Believe you can fly
But I know I must go on	Away, away
Although I hurt I must be strong	Am I hiding in the shadows?
Because inside I know that many feel this way	Are we hiding in the shadows?
