

## Fill in the gaps

I'd go beyond our fighting borders	'Cause I have sailed a thousand ships to you
If you needed that from me	But my messages don't seem to make it through
And I'd march with decorated soldiers	Well money and fame
To get your pretty eyes to see	They are losing game
Well, I would (1) your morning coffee	And I (4) those pretty actresses
Then I'd wrap you up in me	Are calling your name
I'd kiss your belly and your shoulders	But I'll be (5) waiting
Cover blankets on our feet	I'll always be the same
So slow down	If you'd let me in again
There's some kind of blessing here	Da da da da
But you have missed your cue	Da da da da
So (2) your eyes set	Da da da da
On the horizon, on the line where blue meets blue	Da da da da
And I'd bet, that silver lining	Da da da da
Well I know it'd find you soon	Da da da da
Because I have sailed a Thousand Ships to you	So keep your eyes set
But my messages don't seem to make it through	On the horizon, on the line where blue meets blue
Well I would bring your morning coffee	And I'd bet, that silver lining
Then I'd wrap you up in me	Well, I know it'd find you soon
I'd kiss your belly and your shoulders	Keep your eyes set
Cover blankets on our feet	On the horizon, on the (6) where (7)
But slow down	meets blue
There's some (3) of blessing here	And I'd bet, that silver lining
But you've gone and missed your cue	Well I know it'd find you soon
So keep your eyes set	'Cause I have (8) a thousand ships to you
On the horizon, on the line where blue meets blue	But my messages don't (9) to make it through
And I'd bet, that silver lining	
Well I know it'd find you soon
