

Fill in the gaps

Day after day		But sooner or later i (7) choose	
Time pass away		And once again I'm (8) abou	
And I (1) can't get you off i	my mind	Taking the easy way out	
Nobody knows, I hide it inside		But if I let you go	
I keep on searching but I can't find		I will never know	
The courage to show		What my life would be	
To letting you know		Holding you close to me	
I've never felt so (2) (3)	before	Will I ever see	
And once again I'm thinking about		You (9)	back at me (oh yeah)
Taking the easy way out		How will I know?	
But if I let you go		If I let you go	
I will (4) know		If I let you go	
What my life would be		(Oh baby)	
Holding you close to me		Once again I'm thinking about	
Will I ever see		Taking the easy way out	
You smiling (5) at me (oh yeah)		But if I let you go	
How will I know?		I will never know	
If I let you go		What my life would be	
Night after night		Holding you close to me	
I hear myself sayin'		Will I ever see	
Why can't this feeling just fade away?		You smiling back at me	
There's no one like you		How (10)	I know?
You (6) to my heart		If I let you go	
It's such a shame we're worlds apart			
I'm too shy to ask			
I'm too proud to lose
