And my heart, heart, heart is so jetlagged

Fill in the gaps

Jet Lag by Simple Plan & Natasha Bedingfield

What time is it where you are?	Heart, heart is so jetlagged
miss you more than anything	Heart, heart is so jetlagged
Back at home you feel so far	Is so jet lagged
Waitin' for the phone to ring	I miss you so bad
t's gettin' lonely livin' upside down	I miss you so bad
don't even wanna be in this town	I miss you so bad
Tryin' to figure out the time zones makin' me crazy	I miss you so bad
You say (1) morning	I miss you so bad
When it's midnight	I wanna share your horizon
Going out of my head	I (6) you so bad
Alone in (2) bed	And see the same sunrising
wake up to your sunset	I miss you so bad
And it's driving me mad	Turn the hour hand back to when you were holding me
miss you so bad	You say good morning
And my heart, heart is so jetlagged	When it's midnight
Heart, heart, heart is so jetlagged	Going out of my head
Heart, heart, heart is so jetlagged	Alone in this bed
s so jet lagged	I wake up to (7) sunset
What time is it where you are?	And it's drivin' me mad
Five more days and I'll be home	I miss when you say good morning
keep your picture in my car	But it's midnight
hate the thought of you alone	Going out of my head
've been keepin' busy all the time	Alone in this bed
Just to try to (3) you off my mind	I wake up to your sunset
Tryin' to figure out the time zones makin' me crazy	And it's drivin' me mad
You say (4) morning	I (8) you so bad
When it's midnight	And my heart, heart is so jetlagged
Going out of my head	Heart, heart is so jetlagged
Alone in this bed	Heart, heart is so jetlagged
wake up to (5) sunset	Is so jetlagged
And it's drivin' me mad	Is so jetlagged
miss you so bad
