

Fill in the gaps

Inside (1) life
Under it's spell
I close my eyes
And (2) to tell
The hands we're dealt (3) never disappear
Death she grows near
People change
And instantly
I'm not the same girl
I (4) to be
I can't (5) all the memories
But I can explain
If you're listening
People change
Not just me
Locked up in silence
A (6) hell
My heart still beats

So I bid farewell
The loving hand that saved me
Held too tight
His darkness weighs on me at night
People change
And instantly
I'm not the (7) girl
I used to be
I can't erase all the memories
But I can explain
If you're listening
People change
Not just me
I never asked or (8) to
You stepped across my threshold
How could you?
