

## Fill in the gaps

There are too many questions
There is not one solution
There is no resurrection
There is so much confusion
And the love profusion
You make me feel
You (1) me know
And the love vibration
You make me feel
You make it shine
There are too many options
There is no consolation
I (2) lost my illusions
What I want is an explanation
And the love profusion
You make me feel
You make me know
And the love direction
You make me feel
You make me shine
You make me feel
You (3) me shine
You make me feel
I got you under my skin
There is no comprehension
There is real isolation
There is so much destruction
What I want is a celebration
And I know I can feel bad

When I get in a bad mood

Only you (4) me feel good I got you under my skin (I got you (5) my skin) (I got you under my skin) (I got you under my skin) (I got you under my skin) And the love profusion You make me feel You make me know And the (6) intention You (7) me feel You make me shine You make me shine You make me shine You (8) me feel I got you under my skin
