Someone Like You (Cover) by Boyce Avenue

I heard	I couldn't fight it
That you're (1) down	I hoped you'd see my face
That you found a boy	And that you'd be reminded (6) for me
And you're married now	It isn't over
I heard	Never mind, I'll find someone like you
That your dreams came true	I (7) nothing but the best for you too
Guess she gave you things	Don't forget me, I beg
I didn't give to you	I remember you said
Old friend	Sometimes it lasts in love
Why are you so shy	But sometimes it hurts instead
It ain't like you to hold back	Sometimes it lasts in love
Or hide from the light	But (8) it hurts instead
I hate to turn up out of the blue uninvited	Nothing compares, no (9) or cares
But I couldn't stay away	Regrets and mistakes they're memories made
I couldn't fight it	Who would have known how
I hoped you'd see my face	Bittersweet this would taste
And that you'd be reminded that for me	Never mind, I'll find someone like you
It isn't over	I wish nothing but the best for you too
Never mind, I'll find someone (2) you	Don't forget me, I beg
I wish nothing but the best for you too	I remembered you said
Don't forget me, I beg	Sometimes it lasts in love
I remember you said	But sometimes it hurts instead (oh)
Sometimes it lasts in love	Never mind, I'll find someone like you
But (3) it hurts instead	I wish nothing but the best for you, too
Sometimes it lasts in love	Don't forget me, I beg
But sometimes it hurts instead, yeah	I remembered you said
You'd know how the time flies	Sometimes it lasts in love
Only yesterday was the time of our lives	But sometimes it hurts instead
We were (4) and raised	Sometimes it lasts in love
In a summery haze	But sometimes it hurts instead
Bound by the surprise of our glory days	Never mind, I'll find someone like you
I hate to turn up out of the blue uninvited	
But Leouldn't (5) away
