

## Fill in the gaps

As I lay me down	In you I can be strong
Heaven hear me now	I look to you
I'm lost without a cause	I look to you
After giving it my all	And when melodies are gone
Winter (1) have come	In you I hear a song
And darkened my sun	I look to you
After all that I've been through	(My levees are broken)
Who on Earth can I turn to?	(My walls have come)
I look to you	Tumbling (6) on me (tumbling down on me)
I (2) to you	All the rain is falling (the (7) is falling)
After all my strength is gone	(Defeat is calling)
In you I can be strong	Set me free (I need you to set me free)
I (3) to you	Take me far away (8) the battle
I look to you	I (9) you
And when melodies are gone	Shine on me
In you I hear a song	I look to you
I look to you	I look to you
About to lose my breath	After all my strength is gone
There's no more fighting left	In you I can be strong
Sinking to rise no more	I look to you
Searching for that open door	I look to you
And every (4) that I've taken	And when melodies are gone
Lead to my regret	In you I hear a song
And I don't know if I'm (5) make it	I look to you
Nothing to do but lift my head	I look to you
I look to you	I look to you
I look to you	
And when all my strength is gone
