

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the (1)_____ stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those (2)_____ (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) (3)_____ (yeah)

Now it's so (now it's (4)_____ that) conclusive

That you wasn't doing it too

If you'd told me from the (5)_____ that you're playing

Around it would have been fine

It would have (6)_____ fine

Then I would have (7)_____ too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it (8)_____ have been fine...

Then I would have played too and I guess

I would (9)_____ had a (10)_____ time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would still love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I (11)_____ have figured you out

If you'd told me from the start that you're playing

Around it would (12)_____ been fine

It (13)_____ have been fine

Then I would have played too and I guess

I would have had a good time

I would (14)_____ had a good time

If you'd told me (15)_____ the start that you're playing

Around it would have been fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you're so fine

(Your (18)_____ was sent from up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

If you'd told me (19)_____ the start that you're playing

Around it would have (20)_____ fine

If you told me

Then I would (21)_____ played too and I guess

I (22)_____ have had a good time

Feel (23)_____ time, feel good time

Feel good time, feel good time

If you'd told me from the (24)_____ that you're playing

Then I would have played too and I guess
