

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a (1)\_\_\_\_\_ last night

That the world (2)\_\_\_\_\_ turning

But (3)\_\_\_\_\_ madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All (4)\_\_\_\_\_ sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would (5)\_\_\_\_\_ been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me (6)\_\_\_\_\_ it

## Fill in the gaps

Why would you bring me so much pain

I (7)\_\_\_\_\_ stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, (8)\_\_\_\_\_ nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a (9)\_\_\_\_\_ time

If you'd told me from the start (10)\_\_\_\_\_ you're playing

Around it would have been fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you're so fine

Then I would have (19)\_\_\_\_\_ too and I guess

I would (20)\_\_\_\_\_ had a good time
