

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the (1)\_\_\_\_\_ stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should (2)\_\_\_\_\_ (3)\_\_\_\_\_ it all along

All those sweet (sweet), sweet (4)\_\_\_\_\_ (yeah)

And those sweet (sweet) red roses (yeah)

They (5)\_\_\_\_\_ me that it was you

I made you (you) (6)\_\_\_\_\_ (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (7)\_\_\_\_\_ have been fine

It (8)\_\_\_\_\_ have been fine

Then I would have played too and I guess

I would (9)\_\_\_\_\_ had a good time...

If you'd told me from the start that you're playing

Around it would (10)\_\_\_\_\_ been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

## Fill in the gaps

Why would you bring me so much pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me (11)\_\_\_\_\_ the (12)\_\_\_\_\_ that you're playing

Around it would have been fine

It would have been fine

Then I would have (13)\_\_\_\_\_ too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start (14)\_\_\_\_\_ you're playing

Around it would have (15)\_\_\_\_\_ fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you're so fine

(You are the one that I love)

You are so fine

(Your love was sent (16)\_\_\_\_\_ above)

You are so

(You're fine, fine)

(So doggone fine)

Baby you're so fine

(You are the one that I love)

You are so fine, fine

(Your love was sent (17)\_\_\_\_\_ up above)

Oh you're mall of mine

(You're fine, fine)

## Fill in the gaps

(So (18)\_\_\_\_\_ fine)

(So doggone fine)

If you'd told me from the start (21)\_\_\_\_\_ you're playing

Around it would have been fine

If you (22)\_\_\_\_\_ me

Then I would have played too and I guess

I would have had a good time

Feel good time, (23)\_\_\_\_\_ good time

Feel good time, feel good time

If you'd told me from the start that you're playing

Around it would have been fine

Had a real good time, boy now

Then I would have played too and I guess

I would have had a (24)\_\_\_\_\_ time

I (25)\_\_\_\_\_ I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine, boy

Then I would have played too and I guess

I would (26)\_\_\_\_\_ had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It's fine, it's fine, it's fine

Then I (27)\_\_\_\_\_ have played too and I guess

I would have had a good time

**Fill in the gaps**
