

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I (1)\_\_\_\_\_ wasn't learning

Should have seen it all along

All those sweet (sweet), (2)\_\_\_\_\_ kisses (yeah)

And (3)\_\_\_\_\_ sweet (sweet) red roses (yeah)

They convinced me that it was you

I (4)\_\_\_\_\_ you (you) exclusive (yeah)

Now it's so (now (5)\_\_\_\_\_ conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it (6)\_\_\_\_\_ have been fine

It would have been fine

Then I would have played too and I guess

I would have had a (7)\_\_\_\_\_ time...

If you'd told me from the (8)\_\_\_\_\_ (9)\_\_\_\_\_ you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

## Fill in the gaps

Why would you (10)\_\_\_\_\_ me so much pain

I would stil love for you, 'cause I did adore you

While my dogs would (11)\_\_\_\_\_ you out

Tried to be so (12)\_\_\_\_\_ on (13)\_\_\_\_\_ lonely nights

(On those lonely, lonely, lonely nights)

But I should have (14)\_\_\_\_\_ you out

If you'd told me from the start that you're playing

Around it (15)\_\_\_\_\_ have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine
