

Fill in the gaps

Fine by Whitney Houston

All those sweet (sweet), (2)_____ kisses (yeah)

That you wasn't (4)_____ it too

If you'd told me from the start that you're playing

Around it would have (5)_____ fine

It (6)_____ have been fine

Then I would have (7)_____ too and I guess

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't (8)_____ right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it
