Wanna Dance With Somebody by Whitney Houston

	I need a man who'll take a chance
Clock strikes upon the hour	On a love that burns hot enough to last
And the sun (1) to fade	So when the night falls
Still enough time to figure out	My lonely heart calls
How to chase my (2) away	Oh I (18) dance with somebody
I've done alright up till now	I wanna feel the heat with somebody
Its the light of day that shows me how	Yeah I (19) (20) (21)
And when the night falls the loneliness calls	somebody
Oh I wanna dance (3) somebody	With somebody who (22) me
I wanna (4) the heat with somebody	Oh I wanna dance with somebody
Yeah I wanna dance (5) somebody	I wanna (23) the heat with somebody
With (6) who loves me	Yeah I wanna dance with somebody
Oh I wanna dance with somebody	With somebody who loves me (uh uh)
I (7) feel the (8) with somebody	(Dance)
Yeah I wanna dance with somebody	Come on baby
With (9) who loves me	(Dance)
I've been in love and lost my senses	(Uh) Yeah (Dance)
Spinning (10) the town	Now get with this
Sooner or later the fever ends	(Woah) (Dance)
And I wind up feeling down	Don't you (24) dance
I need a man who'll take a chance	(Dance) (25) me baby?
On a (11) that burns hot enough to last	Don't you wanna dance
So when the night falls	(Dance) With me boy?
My (12) heart calls	Don't you wanna dance
Oh I wanna dance (13) somebody	(Dance) With me baby?
I wanna feel the heat with somebody	With somebody who (26) me
Yeah I wanna dance with somebody	Don't you (27) dance say you (28)
With somebody who loves me	dance
Oh I (14) dance with somebody	Don't you wanna dance? (Dance)
I wanna (15) the heat	Don't you wanna dance say you wanna dance
Yeah I wanna dance with somebody	Don't you wanna dance? (Dance)
With somebody who loves me	Don't you (29) (30) say you wanna
Somebody who, (16) who	dance?
Somebody who loves me	(Dance)
Somebody who, somebody who	With somebody who loves me
To (17) me in his arms oh	(Dance)
