

Fill in the gaps

Well, I was young but I wasn't naive	After all this time
I (1) helpless	I never thought we'd be here
As you turned around to leave	Never (13) we'd be here
And (2) I (3) the (4) I have	When my love for you is blind
to carry	But I couldn't (14) you see it
A (5) so deep	Couldn't (15) you see it
That (6) you could not bury if you tried	That I loved you (16) than you'll ever know
	A part of me died when I let you go
After all this time	After all this why
I never (7) we'd be here	Would you ever wanna (17) it
Never thought we'd be here	Maybe you could not (18) it
When my love for you is blind	That my love for you is blind
But I couldn't (8) you see it	But I couldn't make you see it
Couldn't (9) you see it	Couldn't (19) you see it
Well, I would fall asleep	That I (20) you more than you'll (21)
Only in hopes of dreaming	know
That everything would be like it was before	When a part of me (22) when I let you go
But (10) like this	That I (23) you more than you'll ever know
It seems are (11) fleeting	When a part of me died when I let you go
They dissapear as reality is (12) to the	
floor
