

## Fill in the gaps

Well, I was young but I wasn't naive
I watched helpless
As you turned around to leave
And still I have the pain I have to carry
A past so deep
That even you could not bury if you tried
After all this time
I never thought we'd be here
Never thought we'd be here
When my love for you is blind
But I couldn't make you see it
Couldn't make you see it
Well, I (1) fall asleep
Only in hopes of dreaming
That (2) would be like it was before
But nights like this
It (3) are slowly fleeting
They dissapear as reality is crashing to the floor

After all this time
I never thought we'd be here
Never (4) we'd be here
When my love for you is blind
But I couldn't make you see it
Couldn't make you see it
That I (5) you more than you'll ever know
A part of me died (6) I let you go
After all this why
\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\
Would you ever (7) leave it
Maybe you could not belive it
Maybe you could not belive it
Maybe you could not belive it That my love for you is blind
Maybe you could not belive it That my love for you is blind But I couldn't make you see it
Maybe you could not belive it That my love for you is blind But I couldn't make you see it Couldn't make you see it
Maybe you could not belive it That my love for you is blind But I couldn't make you see it Couldn't make you see it That I loved you more (8) you'll ever know
