Try Sleeping With A Broken Heart by Alicia Keys

	You know that I'll (7) be in love with you
Even if you were a million miles away	Right til the end
could still feel you in my bed	So tonight
Near me, touch me, feel me	I'm gonna find a way to (8) it without you
And even in the bottom of the sea	Tonight
can still hear inside my head	I'm gonna find a way to make it without you
Telling me, touch me, feel me	I'm gonna hold onto the times that we had
And all the time you (1) telling me lies	Tonight
So tonight	I'm gonna find a way to make it without you
'm gonna (2) a way to make it without you	Anybody could have told you right from the start
Tonight	It's bout fall apart
'm gonna find a way to make it without you	So rather than hold onto a broken dream
'm gonna hold (3) the times that we had	Or just hold onto love
Tonight	And I could find a way to make it
'm gonna find a way to make it without you	Don't hold on too tight
Have you (4) tried sleeping with a broken heart	I'll make it without you tonight
Well you can try sleeping in my bed	So tonight
onely, only, nobody ever shut it down like you	I'm gonna find a way to make it without you
You wore the crown	Tonight
You make my body (5) heaven-bound	I'm gonna find a way to make it without you
Why don't you hold me	I'm gonna hold onto the times that we had
Need me, I thought you (6) me	Tonight
You'd never leave me	I'm (9) find a way to make i
_ooking in the sky I can see your face	(10) you
And i knew right where I'd fit in
