Try Sleeping With A Broken Heart by Alicia Keys

	You know that I'll always be in love with you
Even if you were a million miles away	Right til the end
I could still feel you in my bed	So tonight
Near me, touch me, feel me	I'm gonna find a way to make it without you
And (1) in the bottom of the sea	Tonight
I can still hear inside my head	I'm gonna find a way to make it without you
Telling me, touch me, feel me	I'm gonna hold onto the times (4) we had
And all the time you were telling me lies	Tonight
So tonight	I'm (5) find a way to make it without you
I'm gonna find a way to make it without you	Anybody could (6) told you right from the start
Tonight	It's bout fall apart
I'm gonna find a way to make it without you	So rather (7) hold onto a broken dream
I'm gonna hold onto the (2) that we had	Or just hold onto love
Tonight	And I could find a way to (8) it
I'm gonna find a way to make it without you	Don't hold on too tight
Have you ever tried sleeping with a broken heart	I'll make it without you tonight
Well you can try sleeping in my bed	So tonight
Lonely, only, nobody ever shut it down like you	I'm gonna (9) a way to make it without you
You (3) the crown	Tonight
You make my body feel heaven-bound	I'm gonna find a way to make it without you
Why don't you hold me	I'm gonna hold onto the times that we had
Need me, I thought you told me	Tonight
You'd never leave me	I'm gonna find a way to make it without you
Looking in the sky I can see your face	
And i knew right where I'd fit in
