Comfortably Numb (Cover) by Staind

Hello	It just a little pinprick
Is there anybody in there?	There'll be no more (ahh)
Just nod if you can hear me	You may feel a little sick
Is there anyone at home?	Can you stand up?
Come on, now	I do believe it's working, good
I hear you're feeling down	That'll keep you going for the show
I can ease (1) pain	Come on, it's time to go
Get you on your feet again	There is no pain, you are receiving
Relax	A distant ships (5) on the horizon
Need some information first	You're only (6) in
Just the basic facts	waves
Can you show me (2) it hurts?	Your lips move
There is no pain, you are receiving	But I can't (8) (9) you're saying
A distant (3) smoke on the horizon	I was a child
You're only coming (4) in waves	I caught a (10) glimpse
Your lips move	Out of the corner of my eye
But I can't hear what you're saying	I turned to look but it was gone
I was a child, I caught a fever	I cannot put my finger on it now
My hands felt just like two balloons	The child is grown, the dream is lost
Now I've got that fever once again	And I have become comfortably numb
Can't explain, you would not understand	I have become comfortably numb
This is not how I am	
I have become comfortably numb
