### Fill in the gaps

#### Comfortably Numb (Cover) by Staind

Hello	It just a little pinprick
Is (1) in there?	There'll be no more (ahh)
Just nod if you can (3) me	You may (15) a little sick
Is (4) anyone at home?	Can you (16) up?
Come on, now	I do believe it's working, good
I hear you're (5) down	That'll keep you going for the show
I can (6) your pain	Come on, it's time to go
Get you on your feet again	There is no pain, you are receiving
Relax	A distant ships smoke on the horizon
Need some (7) first	You're only (17) in
Just the basic facts	waves
Can you (8) me where it hurts?	Your lips move
There is no pain, you are receiving	But I can't hear what you're saying
A distant ships smoke on the horizon	I was a child
You're only (9) in	I caught a fleeting glimpse
waves	Out of the corner of my eye
Your lips move	I turned to look but it was gone
But I can't (11) what you're saying	I (19) put my (20) on it now
I was a child, I caught a fever	The (21) is grown, the dream is lost
My hands felt just (12) two balloons	And I have (22)
Now I've got (13) (14) once again	(23) numb
Can't explain, you would not understand	I have (24) comfortably numb
This is not how I am	
I have become comfortably numb	
Okay
