Comfortably Numb (Cover) by Staind

Hello	It just a little pinprick
Is there (1)_____ in there?	There'll be no more (ahh)
Just nod if you can hear me	You may feel a little sick
Is there (2)_____ at home?	Can you (5)_____ up?
Come on, now	I do believe it's working, good
I hear you're feeling down	That'll keep you going for the show
I can ease your pain	Come on, it's (6)_____ to go
Get you on your feet again	There is no pain, you are receiving
Relax	A distant ships smoke on the horizon
Need some information first	You're (7)_____ coming through in waves
Just the basic facts	Your lips move
Can you show me where it hurts?	But I can't hear (8)_____ you're saying
There is no pain, you are receiving	I was a child
A distant ships (3)_____ on the horizon	I caught a fleeting glimpse
You're only coming through in waves	Out of the corner of my eye
Your lips move	I turned to look but it was gone
But I can't hear what you're saying	I cannot put my finger on it now
I was a child, I caught a fever	The child is grown, the dream is lost
My hands (4)_____ just like two balloons	And I have become (9)_____ numb
Now I've got that fever once again	I have become (10)_____ numb
Can't explain, you would not understand	...
This is not how I am	
I have become comfortably numb	
Okay
