Fill in the gaps

Common People by Pulp

She came from Greece
She had a thirst for knowledge
She studied sculpture at Saint Martins College
That's where I
Caught her eye
She told me that her dad was loaded
I said, "In that case I'll have rum and Coca-Cola"
She said, "Fine"
And then in thirty seconds' time, she said
"I wanna live like common people
I wanna do whatever common people do
Wanna sleep with common people
I wanna sleep with common (1)_____ like you"
Oh, what else could I do?
I said, "I'll, I'll see what I can do"
I took her to a supermarket
I don't know why, but I had to start it somewhere
So it started there
I said: "Pretend you've got no money"
And she just laughed and said, "Oh, you're so funny"
I said, "Yeah? Huh
I can't see anyone else smiling in here
Are you sure
You wanna live like common people
You wanna see whatever common people see
Wanna sleep with common people
You wanna sleep with common people like me?"
But she didn't understand
She just smiled and held my hand
Rent a flat above a shop
Cut your hair and get a job
Smoke some (2)_____ and play (3)_____ pool
Pretend you never went to school
But still you'll never get it right
'Cos when you're laying in bed at night
Watching roaches (4)_____ the wall
If you called your dad he could stop it all, yeah
You'll never live like common people
You'll never do whatever common people do
Never fail like common people
You'll never watch your life slide out of view
And then dance and drink
Because there's nothing else to do
Sing (5)_____ with the common people
Sing along and it might (6)_____ get you through
Laugh (7)_____ with the common people
Laugh along even though they're (8)_____ at you
And the stupid things that you do
Because you think that poor is cool
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live (9)_____ (10)_____ people like you
Wanna live with common people like you
Wanna live with common people like you
Oh, la la la la...
Oh, la la la la...
Oh, la la la la la la...
Oh, yeah

Fill in the gaps
