She waits alone, oh (1) night	There is no (7) like the love of your first love
Tears are in her eyes	It's so true
She has (2) all the love she had	Your love will never leave you
She lived her life for Him each day	Tears in the night
She threw it all away	Filled with pain
To live for herself - live her life her way	You're running from the love
There is no love like the (3) of your first love	That you had before you cried out for your first love
It's so true	There is no love like the love of your first love
It's for you as you are	It's so true
Tears in the night	Your love will never (8) you
Filled with pain	Tears in the night
You're running from the love	Filled with pain
That you had (4) before - your first love	You're (9) from the love
Someone to (5) you though the pain	That you had before you cried out for your first love
To make you smile again	Tears in the night
And to protect you forever	Filled with pain
Someone to take your fears away	You're running from the love
To help you through each day	That you had before you cried out for your first love
To (6) you when you just can't go on
