

Fill in the gaps

From the day we arrive on the planet	More to find than can ever be found
And blinking, step into the sun	But the sun (11) high through the
There's more to be seen (1) can ever be seen	(12) sky
More to do than can ever be done	Keeps (13) and (14) on the
Some say eat or be eaten	(15) round
Some say live and let live	In the circle of life
But all are (2) as they join the stampede	It's the (16) of fortune
You should (3) take more (4) you	It's the leap of faith
give	It's the (17) of hope
In the circle of life	Till we find our place
It's the (5) of fortune	On the path unwinding
It's the (6) of faith	In the circle, the (18) of life
It's the band of hope	It's the (19) of fortune
Till we find our place	It's the leap of faith
On the path unwinding	It's the band of hope
In the circle, the (7) of life	Till we find our place
Some of us fall by the wayside	On the (20) unwinding
And some of us (8) to the stars	In the circle, the circle of life
And (9) of us sail through our troubles	On the (21) unwinding
And some have to live with the scars	In the circle, the (22) of life
There's far too much to (10) in here
