

It's such a shame

## Fill in the gaps

	I look into your eyes
(Oh) He treats me (1) respect	I want to get to know you
He says he (2) me all the time	And then you make this noise
He calls me fifteen times a day	And it's apparent it's all over
He likes to make sure that I'm fine	It's not fair
You (3) I've never met a man	And I think you're really mean
Who's made me feel quite so secure	I think you're really mean
He's not like all them other boys	I think you're really mean
They're all so dumb and immature	(Oh) You're supposed to care
There's just one thing	But you (7) make me scream
That's getting in the way	You never make me scream
When we go up to bed you're just no good	(Oh) It's not fair
Its such a shame	And it's really not ok
l look (4) your eyes	It's really not ok
I want to get to know you	It's really not ok
And then you make (5) noise	(Oh) You're supposed to care
And its apparent it's all over	But all you do is take
It's not fair	Yeah, all you do is take
And I think you're really mean	There's just one thing
I think you're really mean	That's getting in the way
I think you're really mean	When we go up to bed you're just no good
(Oh) You're supposed to care	It's such a shame
But you never make me scream	I (8) into your eyes
You (6) make me scream	I want to get to know you
(Oh) It's not fair	And then you (9) this noise
And it's really not ok	And its apparent it's all over
It's really not ok	It's not fair
It's really not ok	And I think you're really mean
(Oh) You're supposed to care	I think you're really mean
But all you do is take	I think you're really mean
Yeah, all you do is take	(Oh) You're supposed to care
l lie here in the wet patch	But you never make me scream
In the middle of the bed	You never make me scream
I'm feeling pretty damn hard done by	(Oh) It's not fair
I've spent ages giving head	And it's really not ok
Then I remember all the nice things	It's really not ok
That you ever said to me	It's really not ok
Maybe I'm just overreacting	(Oh) You're (10) to care
Maybe you're the one for me	But all you do is take
There's just one thing	Yeah, all you do is take
That's getting in the way	
When we go up to bed you're just no good
