

Fill in the gaps

	I look into your eyes
(Oh) He treats me with respect	I (20) to get to know you
He (1) he (2) me all the time	And then you (21) this noise
He calls me fifteen times a day	And it's apparent it's all over
He (3) to (4) sure that I'm fine	It's not fair
You know I've (5) met a man	And I (22) you're really mean
Who's made me feel (6) so secure	I think you're really mean
He's not like all (7) other boys	I think you're really mean
They're all so (8) and immature	(Oh) You're supposed to care
There's just one thing	But you never make me scream
That's getting in the way	You never make me scream
When we go up to bed you're just no good	(Oh) It's not fair
Its (9) a shame	And it's really not ok
I look into your eyes	It's really not ok
I want to get to know you	It's (23) not ok
And then you make this noise	(Oh) You're supposed to care
And its apparent it's all over	But all you do is take
It's not fair	Yeah, all you do is take
And I think you're really mean	There's (24) one thing
I think you're really mean	That's getting in the way
I (10) you're really mean	When we go up to bed you're just no good
(Oh) You're supposed to care	It's (25) a shame
But you never make me scream	I look into your eyes
You never make me scream	I want to get to know you
(Oh) It's not fair	And then you (26) this noise
And it's (11) not ok	And its apparent it's all over
It's really not ok	It's not fair
It's really not ok	And I think you're (27) mea
(Oh) You're supposed to care	I think you're really mean
But all you do is take	I think you're really mean
Yeah, all you do is take	(Oh) You're supposed to care
I lie (12) in the wet patch	But you never make me scream
In the middle of the bed	You never make me scream
I'm feeling (13) damn (14) done by	(Oh) It's not fair
I've (15) giving head	And it's really not ok
Then I remember all the nice things	It's really not ok
That you ever said to me	It's really not ok
Maybe I'm just overreacting	(Oh) You're supposed to care
Maybe you're the one for me	But all you do is take
There's just one thing	Yeah, all you do is take
That's (17) in the way	
When we go up to bed you're (18) no good	
It's (19) a shame
