

Storytime by Nightwish

It was the night before

When all through the world No words, no dreams then one day A writer by a fire Imagined all of Gaia Took a journey into a childless heart... A painter on the shore Imagined all the world Within the snowflake on his palm A dream of poetry I'll tell is over Cutting in falling back in to the stars... I am the voice of never, never land The innocence of dreams from every man I am the empty grave of Peter Pan A soaring kite against the blue, blue sky Every chimney, every moonlit sight I am the story that will read you real Every memory that you hold dear I am the journey I am the destination I am the whole mad tale that grieves you Away to taste the night Free and loose we fly! Follow the madness

How do you know what's real?
