

Fill in the gaps

It was the (1) before	Imaginarium, a dream emporium!
When all through the world	Caress the tales and they will read you real
No words, no dreams then one day	A storyteller's game
A (2) by a fire	Inside he flicks the gate
Imagined all of Gaia	The calling heart is a limitless (12) of tales
Took a journey (3) a childless heart	I am the (13) of never, never land
A painter on the shore	The (14) of dreams from
Imagined all the world	(15) man
Within the snowflake on his palm	I am the empty grave of Peter Pan
A dream of poetry	A (16) (17) against the blue,
I'll tell is over	blue sky
Cutting in falling (4) in to the stars	Every chimney, every moonlit sight
I am the (5) of never, never land	I am the story that (18) read you real
The innocence of dreams from every man	Every (19) that you hold dear
I am the empty (6) of Peter Pan	
A (7) kite against the blue, blue sky	I am the voice of never, never land
Every chimney, (8) moonlit sight	The innocence of dreams from (20) man
I am the story that (9) read you real	Searching heavens for another earth
Every memory (10) you hold dear	I am the voice of never, never land
I am the journey	The (21) of dreams from every man
I am the destination	I am the empty (22) of Peter Pan
I am the (11) mad tale that grieves you	A soaring (23) against the blue, blue sky
Away to taste the night	Every chimney, (24) (25)
Free and loose we fly!	sight
Follow the madness	I am the story (26) will read you real
How do you know what's real?	Every memory (27) you hold dear
