We could have had it all...

Fill in the gaps

Rolling In The Deep (Cover) by Linkin Park

There's a fire starting in my heart		Rolling in the deep	
Reaching a fever pitch and it's bringing me out the dark		You had my heart inside your hand	
Finally I can see you crystal clear		But you played it to the beat	
Go ahead and sell me out and a I'll lay (1) ship		We could have had it all	
bare		Rolling in the deep	
See how I'll leave (2) every piece of you		You had my (6) inside of your hand	
Don't underestimate the things that I will do		But you played it (7) a beating	
There's a fire starting in my heart		Throw your soul through (8) (9)	door
Reaching a fever pitch and it's bring me out the dark		Count your blessings to find what you look for	
The scars of your love remind me of us		Turn my sorrow into treasured gold	
They keep me (3)	that we almost had it	You pay me back in kind	
all		And reap just what you sow	
The (4) of your love, they leave me breathless			
I can't help feeling		You're gonna wish you never had met me	
We could have had it all		Tears are (10) fall	
Rolling in the deep		Rolling in the deep	
You had my heart inside your hand		You're gonna wish you	
And you played it to the beat		We could have had it all	
Baby, I have no story to be told		We could have had it all	
But I've heard one on you		Rolling in the deep	
And I'm gonna make your head burn		You had my heart inside of your hand	
See me in the depths of (5) despair		But you played it	
Making a home down there		You played it	
'Cause mine sure won't be shared		You played it	
The scars of your love remind me of us		You played it to the beat	
They keep me thinking that we alm	ost had it all		
The scars of your love, they leave	me breathless
