|                                             |
| Mummy they call me names                    |
| They wouldn't let me play                   |
| I run home                                  |
| Sit and cry almost everyday                 |
| Hey Jessica you look like an alien          |
| With green skin                             |
| You look fit in this play then              |
| Oh they pull my hair                        |
| They took away my chair                     |
| I kept it in and pretend that I didn't care |
| Hey Jessica you're so funny                 |
| You've got teeth just like (1) Bunny        |
| So you think you know me now                |
| Have you forgotten how                      |
| You would make me feel                      |
| When you dragged my spirit down             |
| But thank you for the pain                  |
| It made me raise my game                    |
| And I'm still rising                        |
| I'm still rising, yeah                      |
| So make your jokes                          |
| Go for broke                                |
| Blow your smoke                             |
| You're not alone                            |
| But who's (2) now?                          |
| Who's laughing now?                         |
| So raise the bar                            |
