Fill in the gaps

Major-General's Song by Gilbert And Sullivan

	And surprises I'm more wary at
I am the very model of a modern Major-General	And when I know precisely
I've information vegetable, animal, and mineral	What is meant by "commissariat"
I know the kings of England	When I have learnt
And I quote the fights historical	What progress has been made in modern gunnery
From Marathon to Waterloo, in order categorical	When I know more of tactics than a novice in a nunnery

I quote in (2) all the crimes of	When I can tell at sight a Mauser rifle from a javelin
Heliogabalus	When such affairs as sorties
In conics I can floor peculiarities parabolous	And surprises I'm more wary at

Of which I've heard the music's din afore	When I know more of tactics than a novice in a nunnery
